# WE CARE FOR YOU

OUR PROTECTIVE MEASURES FOR YOU, SO YOU CAN ENJOY YOUR SALON VISIT WITHOUT WORRIES!

## MAKE APPOINTMENTS

Appointments must be made in advance, accompanying persons are only allowed exceptionally, children must be supervised at all times

## MINIMIZE PERSONAL CONTACT

Contactless greeting, keeping a minimum distance of 1 meter (except during services) and contactless payment, if possible

## HAND DISINFECTION AND/OR WASHING

Hands must be cleaned after entering the salon and regular hand cleaning of the salon team several times a day

## KEEP SURFACES CLEAN

Cleaning and/or disinfection of all surfaces and work equipment - after every use and every client

## WEAR PROTECTIVE CLOTHING

Compulsory visor for employees and fresh or disposable towels and capes for each customer

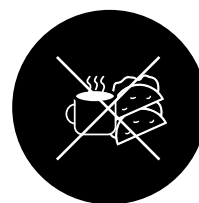

## ONLY SYMPTOM-FREE STAFF AND CLIENTS

Increased awareness of cold symptoms among employees and clients. Please observe sneezing and coughing etiquette

## MAINTAIN VENTILATION

Maintaining good ventilation in the work environment, for example keeping windows or doors open.

## AVOID INFECTION SOURCES

No food or drink consumption in salon except from water in disposable cups or bottles
